Directions

	Please draw a zigzag over areas where you have scars, even if they are very old or difficult to see. Don't forget C-sections, episiotomies, vaccination scars, surgeries, body piercings, tattoos, cosmetic surgeries, vasectomies etc. Please note the approximate age you were when you got each scar.
	Please circle the location of any surgeries, including exploratory surgeries, laparoscopies etc. Please write the year of the surgery on the drawing.
	Please put a square around any internal metal objects, such as surgical pins, metal plates, hip replacements etc.
